

SUSAN BOCK...

RATES AND GUARANTEE:

Susan Bock is a [Certified Speaking Professional](#), and speaks for audiences ranging from 15 to 1,500. She has a long list of very happy clients including the American Red Cross, the California Association of Estheticians, SCORE Women in Business and University of Health Sciences. Students and doctors, executives and entrepreneurs, working and retired – her message touches everyone in the room!

Granted, she is the expert for Living Your Life ‘On Purpose’, however, she is not a celebrity, nor has any desire to be treated like one! She is a dream to work with and event planners love her!

Your event deserves an excellent, top-end speaker and Susan is worth every penny!

Susan’s policy regarding presentations is this: if you are not happy with the results, she will refund your money. This has been her policy since starting her speaking career in 2000 and she has never been asked for a refund. It is that simple. Yes, interesting situations happen on the platform. And, yes, she still delivers!

100% MONEY BACK GUARANTEE

If you are not satisfied with her presentation, you will receive your money back. All Susan asks from you is that you agree to follow specifications for timing, audio-visual equipment and that you promote Susan fairly and accurately to your group.

WHAT MAKES SUSAN STAND OUT FROM THE COMPETITION?

Prior to delivering a presentation, workshop or seminar, she talks with several audience members (participants and calls can be arranged by your staff). This provides her with valuable insight into the mood, attitudes, and expectations that will be the ‘invisible’ guests attending the event.

Unequivocally, this personal touch opens the pathway to powerful content.
