What do John Strelecky, Simon Sinek, Peter Block, Wayne Dyer, Daniel Pink, and countless other world-famous authors have in common? Each has recently published books with a very similar messages that is grabbing our attention!

What is the message and how does that apply to you? During these times of unrest and uncertainty, it is time for us to chart our own future, to take responsibility for what we want that future to look like and to take action to make our dreams our reality.

### **PRESENTATIONS - PROGRAMS**

#### **Communication – It's an Inside Job**

- When you talk to yourself, what do you say?
- How do your words show up in you life?
- Are your getting what you want/need/desire?

We do it every day, all day. The dialog never stops. We are either talking to ourselves, talking to others, or both! This presentation will transform how you communicate – starting on the inside. You will walk away with specific, effective techniques to change your communication and change your life!

#### **Living on Purpose**

This is great for an audience that is seriously committed to accelerating success in their:

- Profession
- Business
- Life

This presentation moves the participants through a 4-step discovery process to step into the driver's seat to take charge of their life and their future.

#### **How Is Your CIA Working For You?**

- Did you know you had your personal CIA?
- Is it so "under cover" it's hidden from you?
- Would you like to learn how to put your CIA to work for you – today?

Yes, we each have our personal CIA – Creativity, Inspiration and Action. The audience will experience a 3-step process that puts their 'CIA' to work in their lives starting today!
