

Air Fire Earth Water **Self-Assessment**

I want to acknowledge the creator of this assessment. Your name would appear right here!

Select the shape that you are most taken with - the one that's most appealing or pleasing. Take your time – this is not a timed assessment.

When you have made your selection, go to the next page.

Square – Air

Key word: Process

Approach to life: Linear, step by step

Voice mail message sounds like: “It’s Saturday and we’re having a day at the beach. Here are your options: “You can leave a detailed message or if you want a return phone call including your name, number, time that you called, and a brief message. Or you can call back after 4:00 pm.”

Triangle - Fire

Keyword: Power or Control

Approach to life: Bottom line, to the point

Voice mail message sounds like: “You know what to do.”

Circle – Earth

Keyword: Relationship

Approach to life: People oriented

Voice mail message sounds like: “I’m sorry I’m not here to take your phone call. Please leave me a message of any length and I will call you back just as quickly as I can. May your day be filled with sunshine!”

Waves – Water

Keyword: Change

Approach to life: Fun, excitement, lighten up, the world is my playground

Voice mail message sounds like: “Hey, Dude, it’s cool! Chow.”

What did this assessment reveal to you?

What action can you take with this new knowledge?

How will you benefit from knowing this about yourself?

Thanks for playing with me! As you can probably tell, I’m a self-development junkie. Why? Because I believe that the most valuable knowledge we can possess is self-knowledge and that includes understanding, appreciating and embracing our uniqueness.

If you’re ready to stop trying to be someone other than your amazing self, then you’ll definitely want to take advantage of my complimentary [Breakthrough Session](#) where you and I will develop specific actionable steps you can easily implement to leverage your uniqueness in your business and increase your profits. Don’t waste another day – book your call right now and you’ll thank yourself tomorrow!

Susan
